**STANDARD INSTRUCTIONS TO BIDDERS INVITATION TO SUBMIT ON-CALL
EQUIPMENT AND LABOR RATES FOR CIVIL SITE WORK PRESTON 06365**

1. Project Overview:

The Town of Preston routinely has small projects associated with curbing repair, roadway construction, drainage improvements, etc. and we have a need to supplement our workforce with qualified contractors that have both a skilled workforce and appropriate equipment to complete various assignments. The work that may be required under this invitation includes both routine work that would be done during typical work hours (Monday – Friday 7:00am to 5:00pm) and for emergency or high priority work that would need to be done on nights, weekends, or holidays. Hourly rates are to be designated for normal work hours and a separate rate for nights, weekends or holidays. All engagements will be paid as a minimum 4-hours, with each hour thereafter being charged at the normal hourly rate.

The Town is soliciting rates that will be used on an as-needed basis and there is no guarantee for minimum work under this engagement and it is the Town's intention to keep these rates on file for a period of 1 year, starting July 1 and ending June 30. We understand that selected equipment may not be available at all times and that equipment may be bought or sold during the duration of the engagement.
