Inspection Notes:

- 1.) If building has a cathedral ceiling or otherwise inaccessible under-roof area, inspection is required day of panel installation.
- 2.) Solar roof shingles require inspection day of installation.
- 3.) Licensed electrician with ladders and tools is recommended to be in attendance for all inspections.
- 4.) Verify existing Grounding Electrode System connection, repair if corroded or missing, jump to both sides of water meter.
- 5.) Verify two supplemental ground rods, install if missing or unverifiable.
- 6.) Provide the field tech's cell phone number when making an inspection appointment.
- 7.) Contractor to have full plan set on site, including structural modification drawings, if applicable.

CT State Building Code:

Section 105.3.1 ACTION ON APPLICATION reads in part: "The Building Official shall examine or cause to be examined application for permits and amendments thereto within 30 days after filing and either issue or deny a permit within such 30 day period. If the application or construction documents do not conform to the requirements of this code and pertinent laws, the Building Official shall reject such application in writing stating the reasons therefore."

Section 105.3.1 ZONING APPROVAL reads in part: "No Building Permit shall be issued in whole or in part for a building use or structure subject to the zoning regulations of the municipality without certification in writing by the official charged with enforcement of such regulations that such building, use or structure is in conformity with such regulations or is a valid non-conforming use under such regulations."

Section 105.3.1.2 FIRE MARSHAL APPROVAL reads in part: "No Building permit for a building structure or use subject to the requirements of the 2018 CT State Fire Code, [as amended], shall be issued in whole or in part without certification in writing from the local Fire Marshal that the construction documents for such building, structure, or use are in substantial compliance with the requirements of the 2018 CT State Fire Code [as amended]."
